June 2019

Dear Incoming Fifth Graders and Parents,

I am looking forward to having a great year starting in September! To keep students fresh through the summer and into a new school year, I am going to ask you to enjoy 2 books as your summer reading assignment.

---------------------------------------------
Choice Books: You may choose any two books you like! They just need to be over 100 pages. You are assigned to complete the following book reports: Pizza Book Report and Book Report Brochure. *Please do not read Fish in a Tree or Esperanza Rising - we read these two novels this school year!

The directions for the Pizza Book Report and the Book Report Brochure are attached.

Please bring these assignments with you on your first day or school or on supply drop off day.

I know summer is a time for relaxation and fun but I believe these assignments over a two month period is not too much to ask. It will be the start of your success as a fifth grader.

You need to be your own hero: no one can do the work but you. In other words, you are the one learning to form your future. No one else can do it for you. It is your responsibility to try your best, study hard, and be successful. As your own hero, you can create the life you want to live.

Have a wonderful summer..... ride your bike on those beautiful summer evenings, enjoy those special times with your family, and savor those ice cream cones! See you in September!

Blessings,

Mrs. Cameron
