

### Homeroom, 8<sup>th</sup> grade

- 1 box of Tissues
- 1 bottle of sanitizer OR 1 can Lysol wipes
- 1 box of Number 2 Pencils

### Math, Grade 6, 7, and 8

- 1 3-Ring Binder, at least 2 inch or bigger rings
- 10 Dividers
- 2 reams of printer paper, white.
- 1 Calculator: must have a square root button (label it with your name), Sharp 10-Digit Calculator or Ti-30X are fine.
- \*\*\* Students may get calculators with more feature, like scientific or graphing. These calculators are allowed for the class, but not for state testing. I have a set of calculators that can be used for testing, so no need to get multiple calculators. \*\*\*

- Pens, Pencils, and erasers
- Access to the Internet
- Access to art supplies for projects
- 1 Growth Mindset: be prepared to make mistakes, correct them, and learn from them.

### Math, Grade 7 Advanced and Algebra

- 1 3-Ring Binder, at least 2 inch or bigger rings
- 10 Dividers
- 2 reams of printer paper, white.
- 1 package of graph paper
- 1 Calculator: Ti-83+ is required for Algebra students. Students in 7A are highly encouraged to get one, though not mandated (any calculator that can do a square root will work). Please label your calculator.
