

WELCOME TO THE NATIVITY OF MARY SCRIP/GIFT CARD PROGRAM!!

What is the Scrip/Gift Card Program?

The Nativity of Mary Scrip/Gift Card Program raises money without extra cost to you. In addition to giving cards as gifts, you can use the gift cards to make purchases you would otherwise be making - for groceries, carwashes, buying clothes, dining out - even shopping at the iTunes Store!

It is unique in that all the profits come from the stores and venues that provide the gift cards and it runs all year round. But to make this program successful, we need YOU! We have a wide variety of gift cards. Give them as gifts or use them yourself just shopping where you normally shop! It doesn't get much easier than this!

How does it Work?

Each time you purchase gift cards from our program, Nativity receives a profit.

- Nativity buys gift cards at a discount
- You buy them at face value
- For example: Nativity buys a \$100 Tops card for \$95; you buy that card from Nativity for \$100; Nativity just made \$5 and you still have \$100 to spend at Tops!!
- Do this 52 weeks a year, and that contribution adds up to \$260! Remember - you've done nothing differently, just used a gift card instead of cash, credit/debit card or a check.
