

From the Health Office:

As a reminder, birthday treats that are brought in must be store bought and have a label with ingredients. Any snack that is eaten in our classroom must be nut free.

Several stores sell baked goods that say manufactured in a nut free facility. Dash's, BJ's and Tops have items in the bakery that are clearly labeled and safe for classrooms. Also, you can find nut free items listed at snacksafely.com.

Thank you for your help in keeping our kids safe and healthy!
