

Math 5 Summer Work

Happy Summer Vacation!!

It is certainly a time to relax and enjoy the gorgeous weather, but it's also a time to keep our math skills fresh!

Over the summer:

- ❖ Practice basic math facts for multiplication and division.
- ❖ Complete a multiplication and division problem every day.
- ❖ There are many free websites and apps that can aid in everyday practice and make it fun! For example:
 - Cool Math Games (app)
 - Mathgames.com
 - Education.com
 - Splashlearn.com

Class supplies:

- ❖ Green binder or white binder with green paper in the cover - 2 inch
- ❖ 10 dividers
- ❖ Loose leaf
- ❖ Plenty of pencils and erasers

Have a great summer! Looking forward to Math 5 in September!
