

Mrs. Hamilton's Kindergarten School Supply List - Fall 2023

Please *label* the following:

- Cigar sized pencil box to be kept in desk. Please make sure it is sturdy and closes easily
- 3 dry erase makers...any color
- Magnetic dry erase board
- 24 count Crayola crayons (I would suggest getting a few boxes at Walmart to have on hand while they are on sale...our crayons seem to "disappear" and break as the year goes on) (Please Label each crayon so they can be identified if dropped on floor) If you already purchased a smaller box of crayons, that is fine.
- 1 package of washable Crayola markers (Please label each)
- 4-6 **large** glue sticks or many, many small glue sticks. Please label each one
- Children's Fiskars scissors (or any other good brand...cheap ones do not cut well) - Please test out the scissors on a piece of paper to make sure an adult can easily cut
- One inch 3 ring binder with clear protective plastic covering (so papers can be inserted in the front cover). Pockets on the side are a plus!
- 6 sharpened pencils
- 1 box of 25 clear 3 ring binder sheet protectors (please put in 3 ring binder)
- **Clear** zipper pencil pouch for 3 ring binder (all money/school orders should be sent to school in this)
- 1 Extra set of **non- uniform clothes** (including socks and underwear) to be kept in school. Please label all items and put in a zip-locked labeled bag.
- Index cards - 3 by 5
- Clipboard - full sized

No need to label these...

- 2 rolls of paper towels
- 2 boxes of tissues
- 4 containers of Clorox wipes
- 160 count packages of baby wipes (any brand) ...very necessary for sticky hands!
- 1 package of large Ziplock bags
- 2 reams of copy paper
- \$3.50 for a primary composition tablets that will be ordered through the school

Also, please note that there is a mandatory gym uniform that the children can wear to school on assigned gym days...I do not know which days yet.

Try to "stock up" on crayons, markers, glue, and pencils in the fall...it is always good to have them on hand later in the year
