TUITION POLICY

If a student's tuition is in arrears more than two months at any time during the school year, the student may be placed on 'tuition hold', or be asked to withdraw from school until the amount in arrears has been paid. Exception may be made if both the parent/guardian and the school have agreed upon a written deferred plan of payment. It is the parent/guardians's responsibility to initiate this request in due time without reminder or notification from the school.

Deferred plans will be approved only in those instances where a genuine need is evident and income will be definitely available at a known time later in the school year to meet the tuition obligation.

Tuition and fees will be prorated for each month of enrollment and refunds will be made for overpayments of tuition in whole month increments. There will be no refund of a partial month of attendance.

LATE FEES

All tuition accounts must either be paid in full or an approved payment plan must be in place by Monday, August 2, 2021 (or upon receipt of bill if after). A \$75 late fee will be assessed for tuition accounts not finalized by August 2, 2021 (or upon receipt of bill if after).
