

June 2020

Dear Incoming Fifth Graders,

I am looking forward to having a GREAT year starting in September! I am SO excited to have you in my class! To keep students fresh through the summer and into a new school year, I am going to ask you to enjoy one book as your summer reading assignment.

---

You may choose any book you like! The book just needs to be over 100 pages. You will be completing a Book Report Brochure. *The directions will be attached.*

*\*Please do not read Fish in a Tree or Esperanza Rising- we read these two novels this school year!*

Please bring this assignment with you on your first day or school or on supply drop off day.

I know summer is a time for relaxation and fun but I believe this assignment over a two month period is not too much to ask. It will be the start of your success as a fifth grader.

You need to be your own hero: no one can do the work but you. In other words, you are the one learning to form your future. No one else can do it for you. It is your responsibility to try your best, study hard, and be successful. As your own hero, you can create the life you want to live.

Have a wonderful summer..... ride your bike on those beautiful summer evenings, enjoy those special times with your family, savor those ice cream cones and don't forget to wash your hands! See you in September!

Blessings,

Mrs. Cameron
